DEPARTMENT OF PAPER TECHNOLOGY
INDIAN INSTITUTE OF TECHNOLOGY ROORKEE

No. EXAM/PT/ETE/AUTUMN 2021-22/ T-01　　　　　　　　　　**Dated: 11/11/ 2021**

SLOTWISE EXAMINATION SCHEDULE FOR END TERM EXAM
(AUTUMN SEMESTER 2021-2022)

S.N.	Date/Day	Time	Course No. and Instructors	Slot
1	15/11/2021	2.30 – 5.30 PM	PPN-515: Advance Numerical Methods and Statistics (MP)	A-2
2.	17/11/2021	2.00 – 4.00 PM 4.30 – 5.30 PM	PPN-543: Packaging Materials (KKG) PPN-543: Packaging Materials (CS)	C-2
		2.30 – 5.30 PM	PPN-501: Pulping (DD)	C-2
3	19/11/2021		**Holiday (Guru Nanak Ji Birthday)**	
4	20/11/2021	2.30 – 5.30 PM	PPN-523: Process Instrumentation & Control (SCS)	D-2
5	21/11/2021		**Holiday (Sunday)**	
6	22/11/2021	2.30 – 5.30 PM	PPN-505: Paper Properties & Stock Preparation (CS) PPN-541: Packaging Principles, Processes & Sustainability (KG)	E-2
7	24/11/2021	2.00 – 4.00 PM 4.30 – 5.30 PM	PPN-547: Converting Processes for Packaging (SS/CS) PPN-547: Converting Processes for Packaging (SS/CS)	Y
9	25/11/2021	2.30 – 5.30 PM	PPN-503: Chemical Recovery Process (UKG)	Reserve slot
8	26/11/2021	2.30 – 5.30 PM	PPN-545: Printing Technology (VR)	Reserve slot

Prof. Dharm Dutt (DD), Prof. S.C. Sharma(SCS), Prof. Chhaya Sharma (CS),
Prof. Kirtiraj K. Gaikwad (KKG),Prof. Vibhore Rastogi (VR), Prof. Millie Pant (MP),
Prof. U.K. Ghosh (UKG), Prof. Sham Sunder (SS)

Wish you all good luck!

(Prof. K. K. Gaikwad)
O.C. Time Table

General Instructions:

1. The faculty members are requested to check their subjects for examination. In the case of any discrepancies, please inform the undersigned.
2. All the students are requested to check their subjects (PEC/Self Study/Extra Credit/Pre-Ph.D. etc.) for examination. In the case of any discrepancies, please inform the undersigned.
3. For on-line monitoring/conduct of examination, please follows the guidelines circulated by Dean Academic Affairs.

Dean Academic Email for ready reference:

Highlighting the gist of the proposed guidelines for the conduct of online ETE for your reference:

1. General instructions for the conduct of the examination to be issued beforehand by the concerned faculty.

2. The students appearing for the ETE should ensure that they are well equipped with the system with a webcam/ camera installed in it along with screen capture/ recorder software, adequate storage space and UPS, etc.

3. To carry out a full view proctoring, students may be asked to keep the camera on and/ or to run screen capture for the entire exam duration and upload the recorded video after the exam in the gsuite folder link provided by the instructor.

4. If there is network disconnection before/during the exam, students might be asked to run screen capture software + webcam and store a recording locally, and upload the recorded video later as instructed by the instructor. Even the local webcam application can be used during the disruption of the internet while appearing in the examination.

Please note that the above-mentioned guidelines are some of the available means/ ways to conduct online ETE. I urge you to adopt the best-suited mechanism as per the convenience of both faculty colleagues and students to make the ETE successful.
